

SPEAK NOW SPANISH BREAKTHROUGH

A Blueprint That Gets You Speaking Spanish From Day One"

by Marcus Santamaria

Hola! I'm Marcus Santamaria. For over 20 years I've helped thousands of learners break through to real Spanish conversations. This blueprint is your first step toward that same transformation.

Most methods take you on a long streak — but leave you with nothing to say.

These 138 words unlock over 80,000 sentences to get you speaking real Spanish faster than you ever thought possible.

From blueprint to real conversation.

The **Voice-Activated Fluency System** brings these three steps to life. It has you speaking your first real flowing sentences in around 5 minutes. [Watch it now →]
